

Portsmouth Ohio

November 27th

1918

This is my will and
my wishes that when I
am called to leave this
world. I want Bessie Pixley
to take charge of all of
my things that I leave
here and dispose of them
as she ^{sees} fit - To do with them
as I have no one to look
after me, I got no relatives
alive that I know of.
I want Bessie Pixley to see
to having me put away
and I wish to be put in
the circle or on high ground
in Grunlaw Cemetery
I want her to have my two
gold watches and all of
my carpenter tools and
all moneys that I leave

to collect my insurance
and the benefit from the state
for beared purposes and if
there is any pension due
me report to the pension office
and they will pay it - to you
and you will find all
Papers Tied in a Bundle
together in my trunk, and
all money will be there to
and I want Bessie Pixley to
be administrator with out bond

This is my whole desire of
the disposal of my estate
